NARRATIVE

Ms. [REDACTED] student # [REDACTED] reports she and student Chris Jones # [REDACTED] have been in an intimate off and on relationship the past year. Ms. [REDACTED] states last night around 12am she went to his apartment, but he left. She waited for him, but he did not return. At 3am she departed his room after "messing up" his room as she stated. At 2 pm Jones then responded by texting her cell phone, he would "smack TF (the fuck)out of " her.

Ms. [REDACTED] did not want Jones prosecuted, but preferred that someone talk to him about his behavior.

The Dean of Students will be notified of this incident.
